

Sirius' curriculum (Malalai) – May/June 2026

Date	Intent (what we are planning to teach)	Impact (what we want from the activity) Learnt outcomes
Week commencing: 18 th May 2026	To develop personal and social skills through conversation and play.	To develop confidence in talking about themselves, their families and their feelings.
Week commencing: 25 th May 2026		To develop independence in daily routines and self-care activities.
Week commencing 1 st June 2026		To develop communication and listening skills through stories, songs, role-play and discussion.
Week commencing 8 th June 2026		To develop teamwork, kindness and turn-taking through collaborative play.
Planned learning opportunities – ideas: Circle time discussions – sharing their own feelings and emotions. Family photo sharing and ‘all about me’ activities to develop personal understanding. Role- play areas e.g. home corner to be used as a shop, home or doctor’s office. Singing songs about emotions, friendships and personal care. Stories about kindness, emotions and personal identity. Turn-taking games and partner activities. Self-registration and name recognition activities using their name labels. Encouraging children to tidy resources independently, developing responsibility. Group teamwork activities e.g. art, construction, timed tasks. Outdoor team games and obstacle courses. Puppet and small world activities to explore themes like personal care, friendship and emotions.		
Safeguarding: Settling – Supporting children to recognise their name labels on their pegs and self-registration cards. Mealtimes – Encouraging children to take care in self-care routines, such was washing their hands, pouting water and feeding themselves. Toileting – Promoting independence and self-confidence through the toileting process.
